Dockscafe An Essential Guide for

Training to be a Crane Operator -

Part Two In the first part of our

guide we explored the qualifications

needed to get to the point where

you can operate a crane. Once

you've achieved those, you need to

attain a National Vocational

Qualification (NVQ) to be deemed

as competent. An Essential Guide

Dockscafe

for Training to be a Crane Operator

... This manual may be used as a summary in the overall training and authorization of a prospective overhead crane operator but should not be used as the only source of education for a crane operator.

Employers and employees need to be aware that all cranes are

different and may have

specific Safety Manual For

Overhead Crane Operators Crane

Training. Nationwide training

courses on all types of overhead

cranes, jib cranes, and lorry

mounted cranes. All courses are

aligned to BS7121 - Safe Use of

Cranes Approved Code of Practice.

We also offer training for basic and

advanced slinging and signalling

operations. Courses are conducted

on customers' sites to allow for site
