Problem Solve. Notice when something is wrong or is likely ... Firefighters - Skills and Abilities Physical Abilities Firefighting is physically demanding work with irregular hours and intense physical strain. A firefighter needs to pass a medical and physical exam in order to prove the ability to perform under pressure. Firefighters must be strong enough to carry heavy gear or remove victims and agile enough to maneuver in an enclosed space. What Skills Are Required to Be a Firefighter? | Career Trend But it is easier said than done. Selflessness is one of the most prominent characteristics of a firefighter. So, if you have a problem putting other's before you, then this is not the job for you. 8.
